(Monthly on the Fourth Monday at 2:00 p.m. Please note the new process for future calls)

Dear NC Behavioral Health and IDD Consumers, Family Members and Community Stakeholders,

The Division of MH/DD/SAS and Division of Health Benefits (NC Medicaid) remain committed to working hard to assess service gaps, create and amend policies, and direct funding into service areas that will be impactful in preventing the interruption and delay of BH/IDD services during this challenging time. This recurring call will be the fourth Monday of each month in an attempt to help keep consumers, family members and community stakeholders informed and updated on policies and actions impacting service access and health outcomes for BH and IDD consumers, and perhaps more importantly – to hear directly from you about any questions or issues that have emerged since we last communicated. We hope that you can join us.
