This form is used to report Level II and Level III incidents, including deaths and restrictive interventions, involving any person receiving publicly funded mental health, developmental disabilities and/or substance abuse (MH/DD/SA) services. Facilities licensed under G.S. 122C (except hospitals) and unlicensed providers of community-based MH/DD/SA services must submit the form, as required by North Carolina Administrative Code 10A NCAC 27G .0600, 26C .0300, and 27E .0104(e)(18). Failure to complete this form may result in administrative actions against the provider’s license and/or authorization to receive public funding. This form may also be used for internal documentation of Level I incidents, if required by provider policy or LME contract. Effective March 8, 2006, this form replaces the DHHS Incident and Death Report (Form QM02, Revised 11/18/04).

**Instructions:** Complete and submit this form to the local and/or state agencies responsible for oversight within 72 hours of learning of the incident (See page 3 for details). Report deaths of consumers that occur within 7 days of restraint or seclusion immediately. If requested information is unavailable, provide an explanation on the form and report the additional information as soon as possible. Page 1-2 Instructions: The staff person who is most knowledgeable about the incident should complete pages 1-2 of this form as soon as possible after learning of the incident and submit to the unit supervisor for review and approval.

### DHHS Criteria for Determining Level of Response to Incidents

Incidents are events that are inconsistent with the routine operation of a service or care of a consumer that are likely to lead to adverse effects. Providers must report incidents, as defined below, that occur while a consumer is under their care. Individuals receiving residential and ACT Team services are considered under the provider’s care 24 hours a day. Individuals receiving day services and periodic services are considered under the provider’s care while a staff person is actively engaged in providing a service. See Manual for details.
