Global Quality Improvements Committee (GQIC)

GQIC Blinded Peer Review

Trillium's Global Quality Improvement Committee offers the option for providers to request a review of their Quality Improvement Projects (QIPs) through a blinded peer review. As part of the review process, the committee will provide feedback regarding how the provider may more fully meet the expectations outlined by Trillium and improve their scores with the next submission. Prior to the committee receiving the QIP for review, Trillium staff will remove all identifying provider information to ensure the committee does not know who the provider is and to enable the committee to review the QIP impartially. For any providers wishing to participate in the blinded peer review, please contact Krissy Vestal at Krissy.Vestal@TrilliumNC.org. All QIPs will need to be submitted by 2/28/2018 to be included in the blinded peer review. Blinded peer reviews conducted in 2017 yielded a 50% improvement in overall QIP scores for providers who participated in the review.
