

Updates from Global Quality Improvement Committee (GQIC)

The Trillium Global Quality Improvement Committee (GQIC) serves as a fair, impartial committee representing the Provider Network. The GQIC discusses and explores an open forum of ideas related to quality improvement issues among the provider network, in order to maintain and achieve best practices that enable providers to help members reach their goals.

GQIC meets on the 4th Tuesday of the month following each quarter. A complete list of members and other GQIC related documents can be found on the Trillium website under “About Us”. Members are listed below:

OBJECTIVES OF THE GQIC:

- 🌱 Review quality and compliance concerns developing in the provider network
- 🌱 Assess training needs of the network related to Quality Assurance (QA) and Quality Improvement (QI) issues
- 🌱 Collaborate with Trillium staff regarding QI plans and initiatives of the MCO and provider network
- 🌱 Utilize available data to identify trends related to provider QA/QI systems

The committee currently has a vacancy for a Substance Use Provider. If interested, please contact Krissy Vestal at Krissy.Vestal@TrilliumNC.org.
