TRILLIUM RECEIVES INNOVATION AWARD IN TECHNOLOGY

Welcome to Safe Schools Healthy Kids NC

Safe Schools Healthy Kids NC is dedicated to making information available to Schools, Students, and Parents through a variety of means. This website is an Information & Resource Clearinghouse—a one-stop-shop—for health and safety issues that affect the school environment where kids spend most of their days throughout their formative years.

At the heart of Safe Schools Healthy Kids NC, we focus on these essential elements:

- Awareness and Recognition
- Prevention
- Intervening Early
- Evidence-Based Practices
- Access to Mental Health Services

We invite you to explore this site, download materials, engage in the training, and share the information here. Materials and training will continue to be added on an ongoing basis. Please come back as often as you like or need to. You'll find current, evidence-based resources, up-to-date items to download, and links to helpful training modules. Hover and click on the images or links to quickly find the material you seek on topics important for keeping our kids safe and healthy throughout their student lives.

Trillium Health Resources was recognized in the Technology category for the 2019 Innovation Awards. Trillium's www.SafeSchoolsHealthyKidsNC.org online platform was acknowledged for the award.

Trillium Health Resources was recognized in the Technology category for the 2019 Innovation Awards.

Promoted by the i2i Center for Integrative Health, the awards recognize innovation in services and programming to increase integrated, whole person approaches to care.

Trillium's www.SafeSchoolsHealthyKidsNC.org online platform was acknowledged for the award. The program offers free training to school staff and parents.

After receiving more than 800 survey responses from school personnel on potentially useful topics, Trillium staff developed curriculum that is easy to understand with direct signs to be aware of.

Specific programs and tip sheets available include:

- The Trevor Project (safe, confidential lifeline for LGBTQ young people)
- Red Flags for School Shootings
- Signs of Substance Abuse

Trillium also nominated Ainsley's Angels of Eastern North Carolina, which received the award in the Individual and Family Initiatives category — programs or services led by individuals and/or family members to improve the lives of those served in the public behavioral health and I/DD system.

About Trillium

Trillium Health Resources is a leading specialty care manager (LME/MCO) for individuals with substance use, mental illness and intellectual/ developmental disabilities in 26 counties in eastern North Carolina.

Trillium's mission is transforming lives and building community well-being through partnership and proven solutions. Trillium aims to help every community and individual it serves to reach their fullest potential.

By coordinating care across multiple systems, it achieves improved health outcomes, quality of care and efficient use of resources. Trillium remains focused on delivering the right services, in the right amount, at the right time. For more information, visit www.TrilliumHealthResources.org.
