Pitt County CIT Special Guest Speaker

Caden, with the help of his family, sells lemonade to help the homeless population. All proceeds raised from Caden's sales are donated to the Community Crossroads Center in Greenville, NC.

Caden has gone to meet with the people at the shelter on numerous occasions, making new friends on each trip. Thank you Caden for ensuring that a cup of cool lemonade goes a long way.

MAKE THE PLEDGE!!!

The One Mind Campaign seeks to ensure successful interactions between police officers and persons affected by mental illness. To join the campaign, law enforcement agencies must commit to implementing four promising practices over a 12-36 month time frame.

Four Strategies:

- 1.) Partner with one or more community mental health organization(s)
- 2.) Develop and implement a model policy addressing police response to persons affected by mental illness
- 3.) Train and certify 100 percent of your agency's sworn officers (and selected non-sworn staff, such as dispatchers) in Mental Health First Aid for Public Safety

Provide Crisis Intervention Team training to a minimum of 20 percent of your agency's sworn officers (and selected non-sworn staff, such as dispatchers)
