happily retiring. Dianne is a long time supporter of CIT and has assisted in training hundreds of CIT officers. Her energy and engagement during CIT will be missed.

Happy Retirement Dianne from the CIT Team!

A big congratulations to Chowan University (Hertford County) Public Safety for committing to having 100% of their officers CIT trained. As of 05/2017, Chief Burke has sent 100% of his officers through CIT training. In fact, Chief Burke completed CIT training himself in 03/2017. Great work Chowan University!

THE STEPPING UP INITIATIVE

The Stepping Up Initiative released a great Article on how Law Enforcement Agencies nationally are being proactive about reducing the number of people with mental illness in the prison and jail population.
