**Description**

Network Contract Manager is accountable for negotiating; developing and analyzing contract performance activities across the enterprise for assigned providers/vendors. The Contract Manager will be responsible for communications and the facilitation and implementation of each vendor agreement through any internal reviews. Maintains and updates the Network Director and Executive Team on legal and regulatory trends with respect to vendors and the enterprise. This position will work with other departments during contract negotiations typically including both financial and contractual terms. The position will assist in resolving billing or other contractual problems with the enterprise on behalf of the providers. Facilitates resolution of contractual and operational issues to enhance the provider/vendor contract performance. The Contract Manager will assist and work collaboratively with all stakeholders internally and externally.

**Requirements**

**Education:** Four (4) year degree required, preferably in Human Services. Master’s Degree preferred for this position.

**Experience:** Minimum three (3) years of advanced clinical, case management and/or agency contract management experience with an agency providing services to people with needs in the areas of Mental Health, Developmental Disabilities and/or Substance Abuse services.

Must have valid driver’s license.

**Salary Range**

$52,239.00 - $108,323.00

**Hours**

8:30 am - 5:00 pm, Monday through Friday are normal working hours
