---

As of October 1, 2021 Trillium Health Resources (Trillium) will be ending all CR and GTCR codes for state funded benefits. The codes may remain in your contract but will not be active as of October 1<sup>st</sup> which means if they are billed the claims will deny. Prior authorizations will be needed as prescribed by clinical coverage policies and [Trillium's state funded benefit plan](#).

Also effective October 1, 2021, no new admissions for the following benefits:

- 🌱 Developmental Therapy individual H2014HM or group H2014U1
- 🌱 Personal Assistance YP020
- 🌱 Respite (all populations) YP010
- 🌱 Group Living YP760, YP770, YP780 or Supportive Living YP710 and YP720 (all populations)

Beginning October 1, 2021, outpatient visits will be limited to 12 sessions per fiscal year for adults.
