

CONFRONTING MENTAL HEALTH AND INCARCERATION IN THE FIRST DISTRICT

Team Lunch Alert! 🍍

We're bringing in some fresh favorites from Pineapple Café!

Join us for an essential session on the Incapable to Proceed (ITP) and the Involuntary Commitment (IVC) processes. Our local experts will demystify judicial forms, provide updates on Cherry Hospital's waitlist, and discuss the proven benefits of the NC RISE jail-based restoration program. This meeting is critical for court staff, attorneys, magistrates, probation officers and anyone working to bridge the gap between mental health and justice.

Lunch will be provided from 12:00 p.m. to 1:00 p.m. by Pineapple Café to those who RSVP. Don't miss out—please RSVP by Monday, May 20, 2026, so we can get the headcount right!

Please use the QR Code to RSVP and, if ordering lunch, indicate your lunch item selection. Or email to lisa.a.vanantwerp-gates@nccourts.org. (Menu options for Pineapple Café are attached separately)
