*"Fostering the appreciation, understanding, and prosperity of the Mexican and Latino Community through Advocacy, Culture, Education, Health, and Leadership."*

### Dear Community Members and Partners,

The Association of Mexicans in North Carolina, Inc. (AMEXCAN), and NC Latino Small Business Network (NCLSBN) cordially invite you to join our informational webinar with NC Works Career Center on September 26th, at 6:00pm via Zoom. The **meeting ID is: 858 5518 9893** and the **password is: 747247**. This webinar will be a presentation on the services and employment opportunities that NC Works can provide for the community. The presentation will be in **Spanish**, by Victor García, the State Monitor Advocate at North Carolina Department of Commerce.

The mission of the North Carolina Department of Commerce is to improve the economic well-being and quality of life for all North Carolinians. They work closely with local, regional, national and international organizations to propel economic, community and workforce development for the state. They also connect businesses with what they need to succeed such as site locations, workforce and infrastructure. Additionally, they connect local communities with grants and funding they may need in order to gain new business. The presenter will be discussing this further along with all the other services that they offer.

At AMEXCAN, we strive to provide resources for the Latino community, and we believe that this webinar in Spanish will be very informative for those wanting to learn more about NC Works Career Center and how to take advantage of their services. As a result of this, we hope that there will be more traffic to their centers and more opportunities provided for the community.
