

SMILES & HEALTH WITHOUT BARRIERS:

Health Access for Latino Families in NC

Join us for an interactive webinar exploring both oral and overall community health in North Carolina. Hear from experts as they discuss insights from community health needs across the region, and strategies to advance equitable, culturally-responsive health services.

Izzy Litwack
Speaker

Rose Ann Simmons
Speaker

Friday
February 27, 2026

10:00 AM – 12:00 PM EST

Topics Include:

- Regional assessment from the 34 counties in the Health ENC network.
- Key findings and regional priorities and how collectively we can address common areas of need.
- Challenges to Oral Health Access
- Oral Health opportunities in North Carolina
