

Northeastern North Carolina Regional Domestic Violence Task Force Presents

# PURPLE STARTS HERE DAY 2026 COMMUNITY CONVERSATION

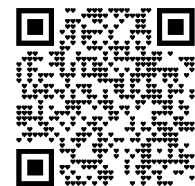

DOMESTIC VIOLENCE  
AWARENESS MONTH

Join us for Purple Starts Here, a community conversation in recognition of **Domestic Violence Awareness Month**.

Together, we'll bring local voices to the table for an honest and meaningful discussion about domestic violence in our communities, the barriers survivors face, the resources available for support, and the role each of us can play in creating safer communities. *Because awareness is only the beginning.*

***Support starts here.  
Safety starts here.  
Change starts here.***
