Sensory Friendly Santa

December 9 from 12-5pm at Mayfaire

This event offers children with all spectrums of special needs the opportunity to enjoy the time-honored tradition of the Santa Photo Experience with their family in a calming environment.

It will be held inside Santa's Workshop on 980 Inspiration Drive, near Belk. Children will also enjoy coloring, crafts and getting their face painted. Visits with Santa are free. Keepsake Santa photo packages will be available for purchase during the event.

Sensory-Friendly Santa is held in partnership with Autism Society of NC.

We hope this event will bring smiles and holiday magic for many families.
