"So, There Is A TBI" Webinar

NATIONAL ASSOCIATION
OF STATE HEAD INJURY
ADMINISTRATORS

THE OHIO STATE UNIVERSITY
WEXNER MEDICAL CENTER

Participants are encouraged to view Part 1: "What If There's a TBI" webinar before joining this live, interactive follow-up session with more information on strategies and accommodations for problem-solving challenging neurobehavioral issues.

About the presenter: John D. Corrigan, PhD, is a Professor in the Department of Physical Medicine and Rehabilitation at Ohio State University in Columbus Ohio, and Director of the Ohio Valley Center for Brain Injury Prevention and Rehabilitation. Dr. Corrigan has dedicated his career to advancing the field of brain injury through research and evidence-based practice.

Details for both webinars available by March 1 here:
