

Youth Mental Health First Aid Training

Please join the Tri-County Community Collaborative and Trillium for a 2-part Youth Mental Health First Aid Training.

This class is being offered FREE to anyone who is interested, but registration is required, and space is limited.

The Details: This class will be held over two days, Thursday, December 6th and Friday, December 7th. On Thursday we will hold the "A" classes and Friday will be the "B" classes. You need both the A and B to complete the course (8 credit hours will be provided). Please choose either morning or afternoon sessions (Morning Sessions are 8-12 and Afternoon Sessions are 1-5).

You will be provided a certificate when the 2nd class is completed on Friday.

We will have local organizations on site to provide resources and answer questions about services in the community.

Snacks, water, and coffee will be provided courtesy of the Tri-County Community Collaborative.

The training will be held at Trillium Health Resources on 3809 Shipyard Blvd in Wilmington (please enter through the back door).

Check in begins at 7:30 and 12:30 on Thursday, December 6th.

Space is limited so please register using this form: <https://goo.gl/forms/3qYGNjyCqCWnThii1> by Monday, December 3rd.
