

Mental Health Awareness *Community Event*

Supporting Wellness, Resources, and Community

May 13, 2026 | 1:00 PM – 6:00 PM

Warren County Memorial Library

Join us for an afternoon focused on mental health awareness, education, and support. Community members will have the opportunity to learn about available resources, connect with local partners, and participate in conversations that promote emotional well-being.

What to Expect:

- ✓ Mental health resource information
- ✓ Community support connections
- ✓ Educational materials
- ✓ Open conversations about wellness
