# MEMBER AND STAKEHOLDER COMMUNICATION BULLETIN #006

**To:** All Trillium Members and Stakeholders

**From:** Cindy Ehlers, Executive Vice President of Clinical Operations

**Date:** June 23, 2020

**Subject:** Upcoming trainings by Neighborhood Connections, OUTreach webinar on June 29

As the State of North Carolina begins the reopening of businesses and activities, Trillium will continue sharing information with our members, their families or guardians, and our community stakeholders. While some temporary COVID-19 changes will end, such as working from home and not visiting loved ones, we realize some changes may be here to stay. Throughout this next reopening phase, Trillium will send email and other communications to share news about opportunities, updates from the State, and how we are serving you during this unusual time.

## UPCOMING TRAININGS BY NEIGHBORHOOD CONNECTIONS

Trillium’s Neighborhood Connections team recently launched a first round of virtual workshops available on [My Learning Campus](#). Our gardening series starts “Tuesdays with Tammy” and we also kicked off our Health and Wellness series with a workshop on “Parenting Tips during COVID – 19.” Please view and stay tuned for more to come!

## OUTREACH WEBINAR ON JUNE 29

Due to COVID -19, our What’s Up Breakfast series for LGBTQ and their allies was put on hold. However, we are excited to announce a special What’s Up Virtual Brunch and Learn on June 29, 11 a.m.-12:30 p.m to celebrate PRIDE month. This is open to stakeholders, providers, members and their families. Please visit <https://www.trilliumhealthresources.org/outreach> for more information about this important initiative, or [visit this link to register](#).
