## TRILLIUM FAMILY WEEKEND AT VICTORY JUNCTION

March 31–April 2 & April 21–23, 2023

Trillium Health Resources and our partners at Victory Junction are offering members and their families an exciting opportunity to get away for a weekend full of togetherness and unforgettable fun! Many children do not have the chance to attend traditional camps. The inclusive environment at Victory Junction empowers children of all abilities by providing life-changing camp experiences at no cost to children and their families.

Founded by the legendary Petty racing family, Victory Junction will host Trillium families on March 31–April 2 & April 21–23 for an overnight weekend retreat at their beautiful 84-acre property located Randleman, NC. Campers are the heartbeat of camp at Victory Junction and one-of-a-kind program activities are designed to be accessible for every ability and need. Paddle out or catch a big-eyed fish at Victory Junction Lake, hit a hole-in-one in mini golf; become your own Picasso in the Art Lab; climb high or swing low at the Adventure Tower, kick it up at the NASCARnival and more!
