

VICTORY JUNCTION

Founded in honor of Adam Petty
a seriousfun camp

**MARCH 26-28, APRIL 9-11,
& APRIL 23-25**

Trillium Health Resources is excited to partner with Victory Junction, an inclusive camp located on 84 acres in Randleman, North Carolina, to offer special family weekends for children and their families. Founded by the legendary Petty racing family, Victory Junction enriches the lives of children with serious illnesses by providing life-changing camping experiences that are exciting, fun and empowering, at no cost to children or their families.

Many children do not have the chance to attend traditional camps-Victory Junction allows them to enjoy these activities just like every other child.

Victory Junction will host Trillium families on March 26-28*, April 9-11, April 23-25 for three family retreat weekends full of excitement and bonding, in a beautiful setting with medical personnel and trained staff on site. Family retreat weekends focus on family togetherness while still enjoying the one-of-a-kind fun that camp has to offer. In order to provide a safe environment, all CDC guidelines will be implemented throughout the duration of the program. Safeguards and parameters have been put in place to ensure that everyone can properly social distance when necessary and participate in all activities. To register, use the link below. After submitting, Trillium staff will contact you with next steps for the application process.
