

Network Communication Bulletin #010

To: All Licensed Independent Practitioners
From: Cindy Ehlers, MS, LPC, Vice President of Clinical Operations
Date: October 11, 2017
Subject: LIP Forum Calls

We know how valuable your time is as Licensed Independent Practitioners and we want to help you make the most of it! Moving forward, information that has previously been shared in LIP Forum Calls will now get disseminated through Network Communication Bulletins. The LIP forum call held on October 2, 2017 will be the last forum call Trillium will host.

This change is being made in an effort to not impede upon your valuable clinical time with the members you are serving. When specific information is related to you as a LIP or LIP Group, this will be clearly labeled in the Network Communication Bulletins and easy to access at your convenience.

Effective Monday, October 16, 2017, you should also communicate any questions, concerns, comments, needs, etc. to the Network department via the newly established Network Ticket System. Tickets are to be submitted to the following email address:

NetworkServicesSupport@trilliumnc.org.

Any questions about this Communication Bulletin may be sent to the following email: NetworkManagement@TrilliumNC.org. These questions will be answered in a Q&A format and published on Trillium's website.
