TRILLIUM'S VALUED PROVIDER SEAL PROGRAM

Trillium providers go above and beyond their call to help members improve their well-being and lead fulfilling lives. This commitment to care and focus on meeting member needs does not go unnoticed.

To celebrate this work, providers can apply for Trillium's Valued Providers Seal Program. Six different seals of varying clinical and operational criteria are available. These seals can be displayed as a visual representation of provider's dedication to the care of our members and communities. Trillium invites our providers to apply for the seal or seals that best showcase the incredible work they are doing. Trillium then may provide both physical and digital copies of the seal for provider use.
