MEDICAID BEHAVIORAL HEALTH RATE RESTORATION UPDATE

REVERSAL OF NC MEDICAID RATE REDUCTIONS

On December 10, 2025, the North Carolina Department of Health and Human Services (NCDHHS) announced that it will reverse the Medicaid rate reductions that were implemented on October 1, 2025. Trillium Health Resources is committed to collaborating with providers to restore all reimbursement rates to the levels in effect as of September 30, 2025, or to the appropriate rate as set by the fee schedules being released on January 5, 2026. Please note that billing or rate changes announced by Trillium between October 1, 2025, and December 31, 2025, will remain in effect as outlined.

RECOUPMENTS

Trillium did not begin implementing the rate reductions until November 1, 2025. In anticipation of a resolution to the rate reduction issue, the rate differential for services provided from October 1, 2025 to October 31, 2025 has not been recouped. As a result, there will be no outstanding recoupments related to the October 1 fee schedule changes.

REVISED FEE SCHEDULES

NCDHHS has informed NC Medicaid health plans that updated NC Medicaid Direct fee schedules will be posted on the Fee Schedules and Covered Codes Portal by January 5, 2026. These updated schedules will reflect the annual procedure code changes. Trillium will post updated rate schedules on the Rates & Check Write Schedule webpage once finalized.

IMPORTANT DATES

NCDHHS has notified NC Medicaid health plans that updated rate schedules must be implemented by February 19, 2026, with all affected claims to be reprocessed by March 21, 2026. These dates are contingent upon the timely receipt of updated fee schedules from NCDHHS on January 5, 2026. Trillium will begin implementing the new fee schedules as soon as they are received, but no later than 45 days after the issuance of the revised schedules. Providers are encouraged to continue monitoring communications from Trillium for additional details and updates regarding the timeline.

REPROCESSING AND INTERIM CLAIMS

Providers will not need to take any action for claims to be reprocessed. While Trillium has up to 30 days to reprocess claims following the implementation of the updated fee schedules, we are committed to doing so promptly to ensure timely payment to providers. Information regarding interim claims will be communicated in an upcoming Network Communication Bulletin.

GLP-1 RETROACTIVITY

Previously denied or end-dated prior authorizations for weight loss treatments under the policy effective from October 1 to December 12, 2025, must be resubmitted for evaluation under the updated criteria. Trillium is unable to re-adjudicate previously denied point-of-sale pharmacy claims without an approved prior authorization on file. However, if a prior authorization is under active appeal and the member meets the updated coverage criteria, the authorization will generally be approved.

For additional information, please refer to the following NC Medicaid Bulletins: · Medicaid Rate Reduction Reversal Update · NC Medicaid to Reinstitute Coverage of GLP-1s for Weight Management · Non-Emergency Medical Transportation Rate Reduction Update

2025-2026 NATIONAL CORE INDICATORS-I/DD SURVEY

Trillium is partnering with NCDHHS to support the annual National Core Indicators (NCI) survey, which evaluates the outcomes of individuals receiving Intellectual and Developmental Disability (I/DD) services. This survey examines critical areas such as employment, community involvement, relationships, health and wellness, safety, and access to services. Standardized questions allow for comparisons between states and provide valuable insights into service quality.

HOW PROVIDERS WILL BE INVOLVED

Beginning in December 2025, providers serving members with I/DD aged 18 and older may be contacted to assist in the following ways:

- ❖ Obtaining member consent for survey participation.
- ❖ Providing background information for consenting members.

Survey administration will be handled by the Carolina Institute for Developmental Disabilities (CIDD), a third-party organization contracted by the State.

ELIGIBILITY REQUIREMENTS FOR SURVEY PARTICIPATION

Members must meet the following criteria to participate in the survey:

- ❖ Be diagnosed with an intellectual or developmental disability.
- ❖ Receive Medicaid-funded services from an I/DD provider agency.
- ❖ Be at least 18 years old.

NEXT STEPS FOR PROVIDERS

If your agency provides services to eligible members, please email Surveys@TrilliumNC.org with contact information for the point of contact for the NCI-IDD survey within your agency as soon as possible. Trillium will send additional details, including the list of members selected to participate, via email.

For questions or more information, contact Surveys@TrilliumNC.org or call 1-866-998-2597 and ask for Irmak Sherrod.

THANK YOU FOR YOUR PARTNERSHIP

Your support is essential to the success of this important initiative, which helps evaluate and improve services for individuals in our community.

REQUIRED UPDATE FOR ALL HCBS PROVIDER CONTACT INFORMATION

OBJECTIVE:

NC Medicaid is enhancing the Home and Community Based Services (HCBS) Database to maintain compliance with the HCBS Final Rule and the Centers for Medicare & Medicaid Services (CMS)-approved HCBS Final Transition Plan. All providers of HCBS in North Carolina must update their contact information to support this initiative. More details regarding the database enhancement project will be provided soon.

ACTION REQUIRED BY PROVIDERS:

After December 19, 2025, all providers offering HCBS (including 1915(c) Waivers: Innovations, TBI and Community Alternatives Program for Disabled Adults (CAP/DA) Adult Day Health services) are required to update their contact information for each submitted and approved Provider Self-Assessment site.

Deadline: February 28, 2026

HOW TO COMPLETE THE UPDATE:

Your assigned health plan(s) will send you a spreadsheet detailing your approved, validated HCBS sites. Follow these steps:

- 1. Review** columns AF and AG (Contact email and contact number) of the spreadsheet to identify any needed updates.
- 2. Update** the contact information directly in the spreadsheet if changes are necessary.
- 3. Return** the completed and updated spreadsheet to your Health Plan contact.

Important Notes:

- 👉 **Do not** update the Provider Self-Assessment in the database directly.
- 👉 **Only** use the spreadsheet provided by your assigned Health Plan(s).
- 👉 Your health plan will provide specific guidance on completing and returning the required updates.

- ❖ Health plans are responsible for uploading the edited data and submitting it to NC Medicaid.
