

# URGENT

## NOTIFICATION FOR PROVIDERS

... Don't Miss Out On This Free Training - Deadline Tomorrow (5/31) ...

### The NADD Competency-Based Clinical Certification Program and The NADD Competency-Based Direct-Support Professional Certification Program

Trillium is in the process of identifying mission driven companies that are interested in obtaining both The NADD Competency-Based Clinical Certification Program and The NADD Competency-Based Direct-Support Professional Certification Program. Certification fees will be paid for by Trillium Health Resources through a state allocation.

**This certification will not incur any direct cost to the selected providers.**

---

#### The NADD Competency-Based Clinical Certification Program

NADD developed the NADD Competency-Based Clinical Certification Program to improve the quality and effectiveness of services provided to individuals with a dual diagnosis through the development of competency-based professional standards and through promoting ongoing professional development.

---

#### The NADD Competency-Based Direct-Support Professional Certification Program

Many people with IDD/MH are supported in our communities by direct support professionals (DSPs). People with IDD/MH who live in institutions are also supported by DSPs. DSPs support people at home. They may also support people in school and at work.
