PORT Health Services Opens New Clinic in Whiteville
Clinical and Rehabilitative Services Help Foster Safe, Healthy Community

WHITEVILLE, N.C., DEC. 6, 2018 — PORT Health Services continues to expand its network of resources across Eastern North Carolina with the opening of a new clinic in Whiteville. Join PORT Health Services and Trillium Health Resources for a ribbon-cutting ceremony Dec. 12, 2018, from 1:00 p.m. to 3:00 p.m., at 706 N. Thompson St. to recognize this achievement.

"We are excited to become a member of the Whiteville and Columbus County communities. We are committed to providing quality health care services to address mental health and substance use treatment needs. In addition, we look forward to establishing strong working relationships with community leaders, stakeholders and advocates to build stronger and healthier citizens," said Tom Savidge, CEO of PORT Health Services.

The Whiteville clinic offers a comprehensive list of adult and adolescent services, including: mental health and substance use services, opioid replacement therapy, medication management and patient assistance, on-site lab services and group and individual therapy.

PORT Health strives to improve the lives, health and well-being of individuals and families dealing with substance use and mental health disorders by providing a comprehensive range of services that treat the whole person and empower patients to find their way forward.
