

UPDATES TO PROVIDER DIRECT

The Trillium Health Resources IT staff would like to make you aware:

On December 1, 2016, the Provider Direct 3.0 system will be undergoing updates from 5-8 PM. There is a possibility of System Downtime during these updates, so we ask that you please plan accordingly. This service outage supports IT efforts to provide reliable and consistent service delivery through patching, modifying, and testing updates during off-peak hours.

Thank you for your patience while we continuously work to improve and develop Provider Direct.
