

ATTENTION ALL PROVIDERS

On 03/02/2017, the Provider Direct 3.0 system will undergo updates from 5-8 PM. There is a possibility of System Downtime during these updates so we ask that you please plan accordingly.

This service outage supports IT efforts to provide reliable and consistent service delivery through patching, modifying, and testing updates during off-peak hours. Thank you for your patience while we continuously work to improve and develop Provider Direct.

Please contact PDsupport@trilliumnc.org should you have questions or concerns about this message.
