

Attention All Providers - Provider Direct Downtime

The Trillium Health Resources IT staff would like to make you aware:

On May 4, 2017 the Provider Direct 3.0 system will be undergoing updates from 5:00-8:00 PM. Please plan accordingly as there is a possibility of system downtime during these updates.

This service outage supports IT efforts to provide reliable and consistent service delivery through patching, modifying, and testing updates during off-peak hours.

Thank you for your patience while we continuously work to improve and develop Provider Direct.

Important Reminders for Providers

ALL QIPs DUE ON OR BEFORE JULY 31

Quality Improvement Projects (QIPs) are due on or before 7/31/17. Any fully contracted provider agency with a state contract is required to submit three QIPs for fiscal year 2016-2017. A recommended template and scoring tool can be found on the Trillium website (For Providers - Provider documents).

Please submit QIPs to QMinfo@Trilliumnc.org

QUALITY IMPROVEMENT PROJECT PEER REVIEW OPPORTUNITY

Trillium's Global Quality Improvement Committee offers the option for providers to request a review of their Quality Improvement Projects (QIPs) through a blinded peer review. As part of the review process, the committee will provide feedback regarding how the provider may more fully meet the expectations outlined by Trillium and improve their scores with the next submission. Prior to the committee receiving the QIP for review, Trillium will remove all identifying provider information to ensure the committee does not know who the provider is and to

enable the committee to review the QIP impartially.

Any providers wishing to participate in the blind peer review, please contact Krissy Vestal at Krissy.Vestal@TrilliumNC.org. All QIPs will need to be submitted by **March 31** to be included in the blind peer review.
