In the event of a conflict between a policy or procedure and this Contract, the language in the Contract shall prevail.

BH/IDD Tailored Plan will apply claim edits based on guidelines from sources that may include, but not limited to CMS, American Medical Association (AMA), and State-specific policy and procedures, as set forth in the Provider Manual. In making payment determinations, Trillium shall utilize nationally recognized coding structures including the National Uniform Billing Code (NUBC), Current Procedural Terminology (CPT), Healthcare Common Procedure Coding System (HCPCS), and International Classification of Diseases (ICD). Failure to follow appropriate coding guidelines may result in claim denial.
- E. The BH I/DD Tailored Plan shall advise the Contractor of any change in funding patterns that would affect reimbursement to the Contractor based on availability of the various types of funds. Any changes to reimbursement shall be in writing to Contractor thirty (30) days prior to such change based on the availability of the various types of funds.

2. CONFIDENTIALITY OF CERTAIN CONTRACTOR INFORMATION.

- A. If the Contractor discloses confidential information, as that term is defined in G.S. § 132-1.2, to the BH I/DD Tailored Plan in connection with the Contractor's performance of this Contract, the BH I/DD Tailored Plan can protect the information from public disclosure to the extent permitted by G.S. § 132-1.2, if the Contractor takes one or more of the following steps before disclosing the confidential information to the BH I/DD Tailored Plan. If the Contractor determines that all of the information on any given document constitutes trade secret information, as that term is defined in G.S. § 66-152(3), the Contractor may designate the entire page as confidential by marking the top and bottom of the page with the word "CONFIDENTIAL" in upper-case bold-face type. If the Contractor determines that any given page of a document contains a mixture of trade secrets and non-confidential information, the Contractor may highlight the trade secrets and indicate in the margins that the highlighted text constitutes a confidential trade secret. By so marking any page, the Contractor warrants that it has formed a good faith opinion, upon advice of counsel or other knowledgeable advisors, that the items marked confidential meet the requirements of G.S. §§ 66-152(3) and 132-1.2(1). Pursuant to 1 NCAC 5B .1501 and 9 NCAC 6B .1001, price information may not be designated as confidential.
- B. The BH I/DD Tailored Plan may serve as the custodian of the Contractor's trade secrets but not as an arbiter of claims against the Contractor's assertion of confidentiality. If an action is brought pursuant to G.S. § 132-9 to compel the BH I/DD Tailored Plan to disclose information marked confidential, the Contractor agrees that it will intervene in the action through counsel and participate in defending the BH I/DD Tailored Plan, and NC DHHS and its officials and employees against the action. The Contractor agrees that it shall hold the State and its employees, officials, and agents and the BH I/DD Tailored Plan and its officials and employees harmless from any and all damages, costs, and attorney fees awarded against the BH I/DD Tailored Plan or the State in the action. The BH I/DD Tailored Plan and the State shall have the right, at its option and expense, to participate in the defense of the action through its counsel. The BH I/DD Tailored Plan and the State shall have no liability to Contractor with respect to the disclosure of Contractor's trade secrets

pursuant to an order issued by a court of competent jurisdiction pursuant to G.S. §132-9 or any other applicable law.

6. CARE MANAGEMENT/ COORDINATION OF CARE.

- A. The BH I/DD Tailored Plan shall ensure the coordination of care with each Member's primary care provider and any behavioral health provider enrolled to provide care for each Member. In those cases for services requiring prior authorization in which Contractor indicates, or BH I/DD Tailored Plan determines, that adherence to the standard timeframe could seriously jeopardize a Member's life or health or ability to attain, maintain, or regain maximum function, including but not limited to psychiatric inpatient hospitalization services, the BH I/DD Tailored Plan shall issue a decision to approve or deny a service

within three (3) calendar days after it receives the request for services, provided that the deadline may be extended for up to fourteen (14) additional calendar days if:

 - ii. The BH I/DD Tailored Plan justifies to the Department upon request:
 - a) A need for additional information; and
 - b) How the extension is in the Member's interest.
- D. For those services requiring prior authorization, the BH I/DD Tailored Plan shall permit retroactive authorization of such services in instances where the Member has been retroactively enrolled in the Medicaid program or in the BH I/DD Tailored Plan program, or where the Member has primary insurance which has not yet paid or denied its claim. Retroactive authorizations include requests for deceased Members. The request for authorization must be submitted within ninety (90) days of primary denial or notice of enrollment.
- E. Upon the denial of a requested authorization, the BH I/DD Tailored Plan shall inform Member's attending physician or ordering provider of the availability of a peer to peer conversation, to be conducted within one (1) business day.
- F. For appeal information, please refer to the BH I/DD Tailored Plan Provider Manual.

ARTICLE IV: BILLING AND REIMBURSEMENT

1. CONTRACTOR PAYMENT.

- A. Payment under the Compensation Schedule. All payments under the Compensation Schedule are subject to the terms and conditions set forth in this Contract, the Provider Manual and any applicable billing manual and claim processing policies.
- i. By executing this Contract, Contractor certifies that BH I/DD Tailored Plan has made its schedule of fees available in compliance with G.S. §58-3-227(h).
- B. Compensation under this Contract. Compensation shall be the "Allowed Amount" except as otherwise provided in this Contract. The Allowed Amount for covered services is the rate floor as defined by the North Carolina Division of Health Benefits ("NCDHB") and North Carolina Department of Health and Human Services which is one hundred percent (100%) of the amount payable based on the BH I/DD Tailored Plan's respective Medicaid Fee-for-Service Fee Schedule and State-funded Fee Schedule on the date of service (the "Rate Floor"); unless, the Allowable Charge is less than the Rate Floor in which case both Parties mutually agree as an alternative reimbursement arrangement that the Allowed Amount will be equal to the Allowable Charge.

- C. Place of Service Pricing Rules. BH I/DD Tailored Plan fee schedule follows CMS guidelines for determining when services are priced at the facility or non-facility fee schedule (with the exception of services performed at Ambulatory Surgery Centers, POS 24, which will be priced at the facility fee schedule).
- D. Fee Change Updates. Updated fee schedules shall become effective on the effective date of such fee schedule updates, as determined by the Payer (“Fee Change Effective Date”). The date of implementation of any fee schedule updates, (i.e. the date on which such fee change is first used for reimbursement “Fee Change Implementation Date”), shall be the later of: (i) the first date on which Payer is reasonably able to implement the update in the claims payment system; or (ii) the Fee Change Effective Date. Claims processed prior to the Fee Change Implementation Date shall not be reprocessed to reflect any updates to such fee schedule, even if service was provided after the Fee Change Effective Date.
- E. Code Change Updates. Payer utilizes nationally recognized coding structures (including, without limitation, revenue codes, CPT codes, HCPCS codes, ICD codes, national drug codes, ASA relative values, etc., or their successors) for basic coding and descriptions of the services rendered. Updates to billing related codes shall become effective on the date (“Code Change Effective Date”) that is the later of: (i) the first day of the month following sixty (60) days after publication by the governmental agency having authority over the applicable Product of such governmental agency’s acceptance of such code updates, (ii) the effective date of such code updates as determined by such governmental agency or (iii) if a date is not established by such governmental agency or the applicable Product is not regulated by such governmental agency, the date that changes are made to nationally recognized codes. Such updates may include changes to service groupings. Claims processed prior to the Code Change Effective Date shall not be reprocessed to reflect any such code updates.
- F. Modifier. Unless specifically indicated otherwise, fee amounts listed in the fee schedule represent global fees and may be subject to reductions based on appropriate modifier (for example, professional and technical modifiers). As used in the previous sentence, “global fees” refers to services billed without a modifier, for which the fee amount includes both the professional component and the technical component. Any Cost-Sharing Amounts that the Member is responsible to pay under the Coverage Contract will be subtracted from the Allowed Amount in determining the amount to be paid.
- G. Payment for Multiple Procedures. Where multiple outpatient surgical or scope procedures performed on Member during a single occasion of surgery, reimbursement will be as follows:
- i. The procedure for which the Allowed Amount under the Compensation Schedule is greatest will be reimbursed at one hundred percent (100%) of such Allowed Amount;
 - ii. the procedures with second greatest Allowed Amounts under the Compensation Schedule will be reimbursed at fifty percent (50%) of such Allowed Amounts; and
 - iii. Any additional procedures will not be eligible for reimbursement.
- H. Carve-Out Services. With respect to any “Carve-Out” Covered Services as contemplated in this Contract, any payment arrangement entered into between Contractor and a third-party vendor of such services shall supersede compensation hereunder.
- I. It is the Contractor’s responsibility to verify the Member’s Medicaid coverage prior to submitting claims to the BH I/DD Tailored Plan. If an individual presents for services who is not eligible for Medicaid and the Contractor reasonably believes that the

individual meets Medicaid financial eligibility requirements, Contractor shall offer to assist the individual in applying for Medicaid.

- J. Member Billing. Contractor must notify any Member ahead of time and shall not bill the member for covered services, except for agreed upon specified coinsurance, copayments, and applicable deductibles. This provision shall not prohibit Contractor and Member from agreeing to continue non-covered services at the member's own expense, as long as the Contractor has notified the Member in advance that the BH I/DD Tailored Plan may not cover or continue to cover specific services and the Member to receive the service.
- K. Hold Member Harmless. The Contractor agrees to hold the Member harmless for charges for any covered service. The Contractor agrees not to bill a Member for medically necessary services covered by the BH I/DD Tailored Plan so long as the Member is eligible for coverage.
- L. The BH I/DD Tailored Plan may unilaterally revise reimbursement rates under this Contract. Any changes to reimbursement shall be in writing to Contractor thirty (30) days prior to such change.
- M. Contractor shall comply with all terms of this Contract even though a third party agent may be involved in billing the claims to the BH I/DD Tailored Plan. It is a material breach of the Contract to assign the right to payment under this Contract to a third party in violation of Controlling Authority, specifically 42 C.F.R. §447.10.
- N. Contractor acknowledges that the BH I/DD Tailored Plan and this Contract covers only those Medicaid reimbursable, and state and/or federal block grant funded, MH/IDD/SA services as referenced in Attachment A, and does not cover other services outlined in the North Carolina State Plan for Medical Assistance. The Contractor may bill any such other services for Medicaid recipients directly to the North Carolina Medicaid program.
- O. Contractor further understands that, regarding Medicaid services, there are circumstances that may cause a Member to be disenrolled from or by the BH I/DD Tailored Plan. If the disenrollment arises from Member's loss of Medicaid eligibility, the BH I/DD Tailored Plan shall be responsible for claims for the Member up to and including the Member's last day of eligibility. If the disenrollment arises from a change in the Member's Medicaid County of residence, BH I/DD Tailored Plan shall be responsible for claims for the Member up to the effective date of the change in Medicaid County of residence. In any instance of Member's disenrollment, preexisting authorizations will remain valid for any services actually rendered prior to the date of disenrollment.
- P. Contractor shall bill BH I/DD Tailored Plan for all MH/IDD/SA services as described in Attachment A.
- Q. For any provider subject to a rate floor, the BH I/DD Tailored Plan will pay the lesser of billed charges or the rate floor only if the provider and the BH I/DD Tailored Plan have mutually agreed to an alternative reimbursement amount or methodology which includes a "lesser than" provision. The BH I/DD Tailored Plan shall not consider any provider who is subject to a rate floor to have refused to contract based upon the provider's refusal to agree to a "lesser than" provision.

2. SUBMISSION OF CLAIMS.

- A. The BH I/DD Tailored Plan shall adjudicate claims as outlined in the BH I/DD Tailored Plan Provider Manual.
- B. Billing Diagnosis submitted on claims must be consistent with the service provided.

service may be billed as the aggregate of the units delivered rather than as separate line items.

- D. Claims must be submitted electronically either through HIPAA Compliant Transaction Sets; 837P – Professional claims, 837I – Institutional claims, or the BH I/DD Tailored Plan’s secure web based billing system.
- E. Contractor’s claims shall be compliant with the National Correct Coding Initiative effective at the date of service.
- F. Parties shall be compliant with the requirements of the National Uniform Billing Committee.
- G. G.S. 58-3-225. Prompt claim payments under health benefits. The Contractor shall submit all claims to the BH I/DD Tailored Plan for processing and payments within one-hundred-eighty (180) calendar days from the date of covered service or discharge (whichever is later). However, the Contractor’s failure to submit a claim within this time will not invalidate or reduce any claim if it was not reasonably possible for the Contractor to submit the claim within that time. In such case, the claim should be submitted as soon as reasonably possible, and in no event, later than one (1) year from the time submittal of the claim is otherwise required.
 - i. For Medical claims (including BH):
 - a) The BH I/DD Tailored Plan shall within eighteen (18) Calendar Days of receiving a Medical Claim notify the Contractor whether the claim is clean or pend the claim and request from the Contractor all additional information needed to process the claim.
 - b) The BH I/DD Tailored Plan shall pay or deny a clean medical claim at lesser of thirty (30) Calendar Days of receipt of the claim or the first scheduled provider reimbursement cycle following adjudication.
 - c) A medical pended claim shall be paid or denied within thirty (30) Calendar Days of receipt of the requested additional information.

 - a) The BH I/DD Tailored Plan shall reprocess medical and pharmacy claims in a timely and accurate manner as described in this provision (including interest and penalties if applicable).
 - iv. If the BH I/DD Tailored Plan fails to pay a clean claim in full pursuant to this provision, the BH I/DD Tailored Plan shall pay the Contractor interest and liquidated damages. Late Payments will bear interest at the annual rate of eighteen (18) percent beginning on the date following the day on which the claim should have been paid or was underpaid.
 - v. Failure to pay a clean claim within thirty (30) days of receipt will result in the BH I/DD Tailored Plan paying the Contractor liquidated damages equal to one percent (1%) of the total amount of the claim per day beginning on the

date following the day on which the claim should have been paid or was underpaid.

- vi. The BH I/DD Tailored Plan shall pay the interest and liquidated damages from subsections (iv) and (v) as provided in that subsection and shall not require the Contractor to request the interest or the liquidated damages.

H. BH I/DD Tailored Plan receives the claim, as indicated on the electronic data records.

I. The BH I/DD Tailored Plan shall not reimburse Contractor for “preventable conditions” as set forth in 42 C.F.R. § 438.3(g) The BH I/DD Tailored Plan shall not reimburse Contractor for “Provider Preventable Conditions.”

Clean claims for emergency services which do not require prior authorization shall be reimbursed within thirty (30) days of the date of receipt.

- ii. “Claims Status” of a claim shall be available within five to seven (5-7) days of the BH I/DD Tailored Plan receiving the claim.
- iii. If the BH I/DD Tailored Plan determines that additional information in either original or certified copy form is required for making the approval or denial of the claim, BH I/DD Tailored Plan shall notify the Contractor within eighteen (18) days after the BH I/DD Tailored Plan received the claim. The Contractor shall have ninety (90) days to provide the additional information requested, or the claim shall be denied. Upon BH I/DD Tailored Plan’s receipt of the additional information from the Contractor, the BH I/DD Tailored Plan shall have an additional thirty (30) days to process the claim.
- iv. The BH I/DD Tailored Plan is not limited to approving a claim in full or requesting additional information for the entire claim. Rather, as appropriate, the BH/IDD Tailored Plan may approve a claim in part, deny a claim in part, and/or request additional information for only a part of the claim, as long as the BH I/DD Tailored Plan either approves, denies, or requests additional information for each part of the claim within the required eighteen (18) day period.

B. The BH I/DD Tailored Plan will not reimburse Contractor for services provided by staff not meeting licensure, certification, credentialing, or accreditation requirements.

C. Contractor understands and agrees that reimbursement rates paid under this Contract are established by the BH I/DD Tailored Plan.

4. THIRD PARTY REIMBURSEMENT.

A. Contractor will comply with N.C.G.S. §122C-146, which requires the BH I/DD Tailored Plan to make every reasonable effort to collect payments from third party payers.

- B. Contractor is required to bill all applicable third party payers prior to billing the BH I/DD Tailored Plan. Each time a Member receives a service, Contractor shall determine if the Member has third party coverage that covers the service provided.
- i. Medicaid benefits payable through the BH I/DD Tailored Plan are secondary to benefits payable by a primary payer, including Medicare, even if the primary payer states that its benefits are secondary to Medicaid benefits or otherwise limits its payments to Medicaid Members.
 - ii. The BH I/DD Tailored Plan makes secondary payments to supplement the primary payment if the primary payment is less than the lesser of the usual and customary charges for the service or the rate established by the BH I/DD Tailored Plan. The rate established aligns with the required rates paid by the BH I/DD Tailored Plan as well as inclusive the rate floor established by the Department.
 - iii. The BH I/DD Tailored Plan does not make a secondary payment if the Contractor is either obligated to accept, or voluntarily accepts, as full payment, a primary payment that is less than its charges.
 - iv. If Contractor or Member receives a reduced primary payment because of failure to file a proper claim with the primary payer, the BH I/DD Tailored Plan secondary payment may not exceed the amount that would have been payable if the primary payer had paid on the basis of a proper claim.
 - v. Contractor must inform the BH I/DD Tailored Plan that a reduced payment was made, and the amount that would have been paid if a proper claim had been filed.
- C. Contractor shall bill the BH I/DD Tailored Plan for third party co-pays and/or deductibles only as permitted by Controlling Authority.

5. UNDERPAYMENT/PAYMENTS POST APPEALS.

- A. If the BH I/DD Tailored Plan determines that Contractor has not been paid a claim or a portion of a claim that the BH I/DD Tailored Plan determines should be allowed for any reason, the BH I/DD Tailored Plan shall provide notice to the Contractor of the intent to pay the claims or portions of claims. Such notice of action shall identify the Member name and dates of service in question, the specific determination made by the BH I/DD Tailored Plan as to each claim, and the amount of payment due to the Contractor. The BH I/DD Tailored Plan shall make such payment upon notice of intent to pay claims or portions of claims.
- B. Upon the conclusion of any grievance, appeal or litigation that determines that BH I/DD Tailored Plan improperly failed to pay a claim or a portion of a claim to Contractor, the BH I/DD Tailored Plan shall remit the amount determined to be owed to Contractor.
