

Request for Proposal

Trillium Health Resources is developing **Trillium Young Adult Transitional Housing (TYATH)** for youth ages 17-22 in an effort to identify solutions for youth who will transition out of the adult criminal justice system due to the "Raise the Age" initiative.

Trillium invites providers who serve adolescents who experience Mental Health and/or Substance Use to submit a proposal (next page) for an innovative approach to supporting these youth using an array of services. Trillium has identified two HUD-subsidized five-bed residential sites in Nash County for use with this project. Services that will be included in this contract are Transitional Living (B3), Supported Employment (B3), Individual Supports (B3), and Supervised Living (State). Trillium intends award this to the provider submitting the highest scored proposal; however, Trillium reserves the unlimited right to not make an award based upon this RFP.

Interested providers must:

-  be contracted (in network) and must not have outstanding program integrity or Network sanctions with Trillium Health Resources.
-  Provide responses to all questions.
-  Have experience with the population served.
-  Be in compliance with HIE requirements. The North Carolina Information Exchange Authority (NCHIEA) Healthcare provider information exchange guidelines and implementation timelines documented here <https://hiea.nc.gov/>.
