

Questions & Answers

1. Where does this funding come from?

The NCGA allocated each LMEMCO 1M in opioid remediation funding.

2. Can IT equipment be purchased through the funds for the programs?

No.

3. Can staff be allocated through this funding?

No.

4. Can MAT medications be purchased through this funding, if prescribed not in a jail setting?

Yes but the member cannot have any other funding source to cover the medications

5. Is there an application for the proposal? Length of proposal?

No to both.

6. Is there a maximum that we can request

No.

7. Is this money only for medications, or can it apply to staffing as well?

The funds are one-time funds so it is not recommended to use them for staffing cost.
