Trillium HEALTH RESOURCES

SPECIAL ANNOUNCEMENT

Request for Paperwork

We appreciate all our physical health providers who have already submitted their financial information through the Smartsheet link. If you have not completed this step:

Upload Your Information Here

Submitting now will help prevent payment delays as we transition to iTransact for claims submission (effective October 1, 2026).

Physical health providers do not need to email EFT supporting documents separately. We'll collect everything from your Smartsheet upload, so please make sure to upload to the Smartsheet.

Thank you for your ongoing support and attention to these updates. If you have any questions, we're here to help! Please send us an email at TP.Finance@TrilliumNC.org.

DO NOT respond to this email. To ask questions about this matter, send an email to: TP.Finance@TrilliumNC.org.
