The TCLI team will review what is expected of each provider for the Federal Review being conducted the Week of April 13-17.

Providers who serve TCLI members may be included in an onsite visit and record review by the Federal Review team.

Please send leads from your agencies who can relay this information to their staff.

Objectives:

- Gather information on records reviews for members identified as TCLI
- Gather information on Interview questions that will be asked of providers by the Federal Review Team
