# Provider Q&A Session

## Weekly Q&A Sessions Tuesday, April 28, 2020

Trillium Health Resources understands the amount of information our provider network has been receiving in the past few weeks has been massive. We would like to invite our providers to join us in our **weekly Q&A session each Tuesday** to help directly answer some of your questions. Questions must be submitted to the following link in advance by 5:00 p.m. on the previous **Friday**:

#### **Submit questions here**

These weekly 30 minute sessions for targeted groups of providers will help answer questions related to the ongoing changes in services for our members. The next session will be held **Tuesday**, **April 28**, **2020**. Each session will cover questions that were submitted in advance to the link above (next deadline is this Friday, April 24). **Trillium is asking for questions in advance to ensure that we have the chance to prepare the most accurate answers for you, and also so we will have correct staff available. We will take questions during the call if time permits (instructions will be provided), but please note correct staff may not be available to answer these questions.** 

Please see the schedule below for these weekly calls. There will be one Webex invite and phone number to access for each day; any providers who serve multiple populations will be able to stay on the line for the entire session if they choose to do so.

Trillium is working to develop ways to communicate with providers that will be meaningful. If you have suggestions about how we can better communicate with you at this time, please email them to

<u>Khristine.Brewington@TrilliumNC.org</u>. We know that communication is important but can also be overwhelming. Please let us know if there is a way we can do it better.
