***Tuesday, July 7, 2020***

Trillium Health Resources understands the amount of information our provider network has been receiving related to COVID-19 has been massive. We would like to invite our providers to join us in our **Q&A session** to help directly answer some of your questions. ***We are now transitioning to monthly calls.*** Questions must be submitted to the following link in advance **by 5:00 p.m. on the previous Friday (next deadline will be Friday, August 7 for the next session on August 11).**

These sessions for providers will help answer questions related to the ongoing changes in services for our members.

The next session will be held **Tuesday, July 7, 2020**. Each session will cover questions that were submitted in advance to the link above. **Trillium is asking for questions in advance to ensure that we have the chance to prepare the most accurate answers for you.**

Please see the [NEW reduced schedule](#) below for these calls. We will no longer hold separate times for different provider groups and will answer all types of questions during the single call.

***\*Please note new start time of 10 a.m. and combination of provider types for the call:***

10 - 11 a.m. All Providers Including: Crisis Providers, Adult and Child MH/SUD Providers, Adult/Child IDD, TBI, and Residential Providers

Trillium is working to develop ways to communicate with providers that will be meaningful. If you have suggestions about how we can better communicate with you at this time, please email them to

[Khristine.Brewington@TrilliumNC.org](mailto:Khristine.Brewington@TrilliumNC.org). We know that communication is important but can also be overwhelming. Please let us know if there is a way we can do it better.
