Tuesday, August 11, 2020

11 a.m. - 12 p.m.

Trillium Health Resources understands the amount of information our provider network has been receiving related to COVID-19 has been massive. We would like to invite our providers to join us in our next **Q&A session** to help directly answer some of your questions.

The next session will be held **Tuesday, August 11, 2020**. Trillium asked for questions in advance to ensure that we have the chance to prepare the most accurate answers for you.

We will answer questions from all providers including: Crisis Providers, Adult and Child MH/SUD Providers, Adult/Child IDD, TBI, and Residential Providers

You can participate by registering on the link below. We will send out reminders for these sessions.

Trillium is working to develop ways to communicate with providers that will be meaningful. If you have suggestions about how we can better communicate with you at this time, please email them to

Khristine.Brewington@TrilliumNC.org. We know that communication is important but can also be overwhelming. Please let us know if there is a way we can do it better.
