Roadmap
2 Ready

Hurricanes require planning for the time periods before, during, and after any storm. Refer to the [ReadyNC.gov](#) website for disaster resources and information you need to plan, prepare and stay informed. You can find current weather alerts, evacuation orders, shelters and power outage information on their website. To learn more visit the website [ReadyNC.gov](#).

Please remember to inform Trillium of any service provision or operational changes as a result of a hurricane by notifying Network Services: NetworkServicesSupport@TrilliumNC.org. Our goal is to stay up to date about changes to service provision and to assist with continuing to best serve members.

Trillium Health Resources is focused on preparing members and providers for hurricane season. Disasters can happen anytime, but proactive measures can help reduce their impact. Providers are encouraged to refer to their Disaster Plans to ensure safety of staff and Members.
