This is an urgent request for providers to submit their 2019 disaster plans if you have not done so already. Please email a copy of your current Disaster plan to Julie Brinson at NetworkMonitoring@TrilliumNC.org ***IMMEDIATELY*** along with the name and contact number of your agency contact during a disaster.

Our contract with providers requires that you have an adequate disaster planning and training in place in your organization. While it is our desire that no one has to contend with all that a disaster like a hurricane or flood brings, the reality is that eastern North Carolina has had to deal with its fair share of these kinds of disasters. We know from living in this part of North Carolina that the best way to cope when a disaster strikes is preparation. Please connect with your local emergency management services, know your local resources, and stay connected to with Trillium in the event of an emergency.
